MELBA

Located approximately 15 miles south of Nampa off Hwy. 45.

Melba, is the center of the Seed Heart of America. It sits only six miles north of the mighty Snake River. It is the center of a large farming area where, with permission to hunt, some of the best pheasant population resides. The fall brings duck and goose hunting to the area.

Melba sits on the edge of The National Conservation Area for the Birds of Prey where visitors can see raptors of all kinds from

the golden and bald eagle to hawks, owls, falcons and other rare birds of prey all year long.

Each year on the Fourth of July, **Melba** hosts about 7,000 people with one of the most spectacular fireworks displays in the Treasure Valley. Throughout the day there are arts and crafts booths, food booths, ball games, games for kids, lots of entertainment by local talent and a northwest sanctioned tractor pull.

It is only forty miles from **Melba** to Silver City with several historic points of interest in between. At the Owyhee County seat at Murphy where the "largest small museum" in the U.S. is open three days a week, you can see a collection of artifacts that show you the mining and ranching skills of the area for the last 150 years.

You will see famous cemeteries at Wilson and Reynold's

MERIDIAN

Located 10 miles west of Boise on I-84.

Meridian, is centrally located between Boise and Canyon County. Idaho's fastest growing city, **Meridian** retains its small town atmosphere. Attractions include **Roaring Springs Water Park**, the Northwest's largest water park, **Wahooz Family Fun Zone**, 7 acres of family fun, and stock car racing at Meridian Speedway.

Pine Street School is a restored one-room schoolhouse museum. Visit the landscaped beauty of Idaho Peace Officers Memorial. Initial Point, south of Meridian, is the beginning point for all surveying done in Idaho. The north south Boise meridian runs through this point and gives **Meridian** its name.

The original downtown area is home to many small retailers, including quaint cafes, a tea room, antique and gift stores; as well as a walking tour of historic homes. Meridian Dairy Days, the third week of June, celebrates the town's dairy heritage.
