

year-round and often. You won't run out of things to do. Boat or fish on 110 square miles of beautiful **Bear Lake**. Try golfing overlooking the shores of **Bear Lake**.

Explore the half-mile of Minnetonka Caves. View the abundant waterfowl at the Bear Lake National Wildlife Refuge. Hike the Highline trail or just enjoy the outdoors in the national forest lands. Winter provides great opportunities for snowmobiling, cross-country skiing and ice fishing.

Explore the past. Tour the Paris LDS Tabernacle built in 1889. Scout the Oregon Trail. See the monument marking the birth place of Gutzon Borglum, sculptor of Mount Rushmore. And don't forget to enjoy a famous **Bear Lake** raspberry shake. Phone (435) 946-2197 or toll free (800) 448-BEAR (2327) or visit www.bearlake.org and the **Bear Lake Convention and Visitors Bureau** would be happy to provide more information.

BLACKFOOT

Located on I-15, North of Pocatello between Pocatello and Idaho Falls.

Blackfoot, located in Bingham County is the perfect homebase for day-trips to American Falls Reservoir or the Caribou National Forest.

Sun Valley, Craters of the Moon National Monument, Yellowstone and Grand Teton National Parks and Salt Lake City, Utah are within a few hours drive of **Blackfoot**. Visit **Blackfoot** on your way to Jackson Hole or Yellowstone.

Blackfoot is home of the **Eastern Idaho State Fair** which attracts thousands of visitors during the first week of September. Along with its base of agricultural and commercial exhibits are a fascinating variety of entertaining night shows, horse races and a carnival.

Blackfoot is the potato capital of the world! Visit the Potato Museum (open all year) located at 130 N.W. Main in the old Short Line Railroad Depot. The next

time you are passing through, please take some time to tour the Potato Museum and shop at the gift shop. Whatever you might need or desire – lodging, restaurants, shopping, nightclubs and more – you'll find it in **Blackfoot**.

While in the area, don't miss your chance to play at Southeast Idaho's premier gaming facility, **Shoshone-Bannock Gaming Casino** in Fort Hall. Check with the **Blackfoot Chamber and Visitor's Center** for activities, please phone (208) 785-0510. Visit our website at: www.blackfootchamber.org

DOWNEY

Downey, established in 1894, is located in March Valley, a beautiful high mountain valley in the southeastern corner of Idaho. This quiet little community of approximately 600 people is nestled below impressive 9,200 foot Oxford Mountain just south of **Downey**.

Downey has two public parks and an RV park with a dump site. Just four miles south of **Downey** is **Downata Hot Springs**, a family water resort with swimming pool, water slides, camping facilities and picnic area.

Downey is the home of the South Bannock County Fair in early August. This Fair, a little bit of country fun, is an experience you won't soon forget. If you enjoy quiet, peaceful atmosphere of country life, with the majestic Rocky Mountains as a scenic backdrop, **Downey** is for you.

DOWNATA HOT SPRINGS

Located 3 miles south of Downey.

Downata Hot Springs has many fun and exciting things to offer. The hot water bubbles up from a rock-bottomed spring south of the pool and tests 109 degrees. It is piped to the swimming pool where cool water is added to make it comfortable for swimming.

Downata has many things for all ages. Hydro tube slide, sand volleyball, picnic area, RV Camping (hook-ups and non-hook-ups), tenting area, tepee

Slide & Cannon at Downata Hot Springs

rentals, cabins, yurts, ranch house, wall tents, horseshoes, baseball and soccer field, hiking area, tetherball, basketball area, aerobic swim classes, swimming lessons, video games, water playground, golf driving range, pavilions and space to enjoy riding ATVs or mountain bikes. We also have cabins, yurt rentals, a large naturally heated hot tub and winter get-away retreats. Our PoolSide Restaurant caters all year. Special holiday dinners make **Downata** a delightful place to spend any kind of party. Business seminars and conferences are welcome anytime. **Downata** will open for any group of 25 or more Labor Day through Memorial Day. Come join us today!

FORT HALL INDIAN RESERVATION

Located between Blackfoot and American Falls off I-86 and I-15.

This reservation is home to the Shoshone-Bannock Indian Tribe. Check locally for listings of American Indian festivals and other events. Be sure to check dates for the reservation's annual Indian Days celebration held the 2nd weekend in August, a rousing event not to be missed.

FORT HALL REPLICA

Located in Pocatello.

A full-scale replica of the original fort, this edifice provides visitors with a glimpse of the primitive living conditions experienced when this area was first settled. Guided tours of the fort are available.

GRACE

Located at the north edge of the Wasatch Front on State Hwy. 34.

Grace is strategically located in the southeastern Idaho highlands on State Highway 34, about four miles south of State Highway 30.

Grace lies in the heart of some of Idaho's finest fishing and hunting opportunities.

There is a myriad of tourist attractions nearby, such as the Lava Hot Springs and the restored township of Chesterfield, both only about 20 miles away, and the nearby Soda Springs, which has the world's only controlled geyser.

Other sites include Black Canyon, a nationally renowned white water area, the ice caves, the Oregon Trail with authentic pioneer burial sites, and five challenging public golf courses within forty
