

CEDAR CITY & BRIAN HEAD

Cedar City & Brian Head have long been known as the gateway to the National Parks.

Zion, Bryce Canyon, and the lesser known Kolob Canyons and Cedar Breaks are all within a short drive of our central location. Cedar Breaks was recently rated by the *Today Show* as one of the "Top Eight Unusual Places to See Fabulous Fall Colors."

Cedar City is southern Utah's spot for cultural activities, including the Tony Award winning Utah Shakespearean Festival. June through October, the festival offers Shakespeare, plus modern musicals and comedies. The Festival also features a free nightly Greenshow with storytelling, dance and song.

Cedar City hosts many different festivals throughout the year including the American Children's Christmas Festival, Neil Simon Festival, Cedar City Livestock Festival, Utah Summer Games, Groovefest, & Paiute POW WOW. In the summer, head for the mountains. **Brian Head** offers chairlift and shuttle service to 200 miles of downhill mountain bike trails and cool alpine hiking trails featuring red-rock vistas of Cedar Breaks

National Monument. Plus, **Brian Head** has ATV tours, fishing, and free bon fire and s'mores. Wintertime, **Brian Head** is Utah's best ski value – pristine snow, no lift lines, and un-crowded slopes for only \$45! Plus snowtubing, snowmobiling, x-country skiing and day spas.

Cedar City and Brian Head are only 3 hours from Las Vegas. Phone (800) 354-4849, or go online at www.ScenicSouthernUtah.com

DRAPER CITY

Draper City is located in the southeast corner of the Salt Lake Valley, nestled up against the Wasatch Mountains on the east and the Traverse Mountain Range on the south. Due to its ideal location halfway between downtown Salt Lake City and Utah Valley (Provo, Orem areas), many recreational and retail businesses have been recently been built in **Draper**.

Draper's newest outdoor water park is Cowabunga Bay Water Park, located at 12047 S. Factory Outlet Dr. This water park not only looks like a fun place to hang out, it is fun for all ages. The park features 1,500 feet of water slides, a 400-ft. lazy river and 300 interactive

water features. You can navigate through 225 winding feet of water-drenching bridges, tunnels and net climbs. Thrill seekers can drop 50 feet on a high-speed water slide.

And just down the street, don't miss the Boondocks Fun Center, an 8-acre facility loaded with fun for the whole family – Go-Karts, Rookie Go-Karts, Bumper Board, Miniature Golf, Batting Cages, Laser Tag, Kiddie Cove, Max Flight Simulator, Huge Arcade and the Back Porch Grill.

Another new addition to **Draper** is the famous In-N-Out Burger, located just off the I-15 freeway and 12400 South. Many

Utahans used to drive to California in order to sample one of these famous burgers, known for fresh, not frozen meat and the fresh-cut fries. And now there is one in **Draper!**

In order to provide a place for all the new visitors to spend the night, a brand new Springhill Suites Hotel (approx. 120 rooms) is opening near the Draper Factory Outlets and Cowabunga. **Draper's** three other motels include: Comfort Inn, Fairfield Inn and Ramada Limited.

One of the amenities residents have named in surveys as very important to them is trails, miles and miles of them.
